02nd December 2020

CHIEF EXECUTIVE OFFICER

Mr Graham Clark was employed as CEO of FSC for a contract period of three years, which expired in February 2020. The FSC Board, in consultation with the Ministry for Sugar Industry, extended his contract, based on satisfactory performance, for a further period of one year, to the end of February 2021.

Graham has given notice of his intention to end his service with FSC on the conclusion of his current term, expiring at the end of February 2021. He has indicated that, after long and careful deliberation, the growing reach and impact of the global Coronavirus pandemic, forces him and his wife to re-unite with their family in South Africa to provide family support and guidance as parents and grandparents. His decision is thus purely personal and is supported by the Board of FSC.

The Board of FSC had already considered it prudent to advertise the position of CEO, to ensure continuity of leadership. Graham did not re-apply for the position as advertised, but will remain in office until the end of February 2021.

The FSC Board will meet on 4th December 2020, following which an announcement will be made regarding progress on the recruitment of a new CEO.
